## SPRING LOAD RESTRICTIONS LIFTED

**DATE:** April 27, 2017

**FROM:** Allen Schumacher  
City of Fargo

**PHONE:** 701-241-1545  
**FAX:** 701-241-8101

---

Effective Monday May 1, 2017 the City of Fargo Spring load restrictions that have been currently imposed on the city roads will be lifted and all roads will return to their regular weight restrictions.

Designated Truck Route system will return to weight limitations as follows:

Single Axle	20,000 lbs.
Tandem Axle	34,000 lbs.-not to exceed 17,000 lbs. per axle
3 or more Axles	48,000lbs.-not to exceed 16,000 lbs. per axle
Gross Vehicle Weight	105,500 lbs.

All non-truck route streets which includes the residential system will return to a Class A restriction as follows:

Single Axle	18,000 lbs.
Tandem Axle	32,000 lbs.-not to exceed 16,000 lbs. per axle
3 or more Axles	42,000lbs.-not to exceed 14,000 lbs. per axle
Gross Vehicle Weight	80,000 lbs.
