Development of FM Ride Source

The FM Ride Source Directory provides the metropolitan area of Fargo and West Fargo, North Dakota and Moorhead and Dilworth, Minnesota with a list of transportation services primarily for people with disabilities and people over age 60. All of the transportation services, including private transportation providers and government supported transit, are available to the public. This information is also available at www.fmridesource.com.

The FM metropolitan area is a regional medical center and a hub of human and social services. The population needing access to these services is growing and transportation is an important part of living independently. This directory is designed to make it easier to find all of the specialized transportation options in one place.

FM Ride Source was first printed in 2010 in place of the Directory of Transportation Services published annually by Fargo-Moorhead Metropolitan Council of Governments (MetroCOG) since 1978. This is a joint mobility management project of Fargo-Moorhead Metro Area Transit (MATBUS) and MetroCOG. MATBUS is jointly operated by the Cities of Fargo and Moorhead. Any questions or comments may be directed to the MATBUS Mobility Manager at **701-476-5967**.

The information in this directory may change between printings. It is best to contact the transportation provider for the most up to date information regarding their service.

While the cities of Fargo and Moorhead strive to make the information in this directory as timely and accurate as possible, the cities of Fargo and Moorhead make no claims, promises, or guarantees about the accuracy,

completeness, or adequacy of the contents of this document, and expressly disclaims liability for errors and omissions in the contents of this document. No warranty of any kind, implied, expressed, or statutory, including but not limited to the warranties of non-infringement of third party rights, title, merchantability, or fitness for a particular purpose.

References in this directory to any specific commercial product, process, or service, or the use of any trade, firm, or corporation name is for the information and convenience of the public, and does not constitute endorsement, recommendation, or favoring by the cities of Fargo or Moorhead.
